# Widow's Mite Experience

*Widow's Mite Experience is a non-profit women's ministry dedicated to helping other women and their children by providing clean drinking water and the Word of God to the nations. We bring women together, one voice and one heart, to experience the joy and spiritual breakthrough of sacrificial giving to further the Kingdom of God. We do this through a simple, yet profound concept, giving hope, changing lives, drop by drop, cup by cup.*

Dear Friends,

*Spring is here and isn't it wonderful to see the rejuvenation of the Lord's creations. And speaking of rejuvenation, Widow's Mite Experience has a "new look". Please check out our website.*

*Janet Baker  
Executive Director*

## WIDOW'S MITE AT WORK

Is everything really bigger in Texas? Well, in March Widow's Mite Experience had the pleasure of working with a group of fabulous women from Houston, Texas whose goal was to raise money for Orphan's Promise. What an lovely evening it was as many came together to enjoy a beautiful venue, have wonderful food and participate in an amazing silent and live auction program. Terry Meeuwsen from Orphan's Promise spoke about the pressing needs of the gypsy camps in the Ukraine. The event was so successful and through the generosity of everyone who attended, many children will now have clean water to not only drink but bathe in as well. Thank you Texas!

We know how much women love their purses and the Georgia Chapter held a great purse auction at the Dunwoody Country Club. Always tasteful and always elegant, the ladies had a wonderful time bidding on their favorite purses and designer scarves. A large part of monies raised is helping victims of the earthquake in Nepal with fresh water.

All the chapters of Widow's Mite Experience came together at the Founder's Inn Virginia Beach for their annual retreat. The theme this year was "Unto The Least of These". We had the chance to share ideas, fellowship, attend a live broadcast of The 700 Club, explore new fundraising opportunities but most of all to experience the joy of women coming together in unity. We are energized and ready to take on the next adventure!

### *Did you know...*

*Widow's Mite experience helped to stock food pantries with water in needy areas of the United States, supplied water to victims of floods in Colorado and the water disaster in West Virginia.*
