

SPECIAL APPEAL ISSUE

Widow's Mite Experience

Taking Water & the Word to the nations.

Widow's Mite Experience is a non-profit women's ministry dedicated to helping other women and their children by providing clean drinking water and the Word of God to the nations. We bring women together, one voice and one heart, to experience the joy and spiritual breakthrough of sacrificial giving to further the Kingdom of God. We do this through a simple, yet profound concept, giving hope, changing lives, drop by drop, cup by cup.

Dear Friends,

We desperately need your help and this is a very special appeal to help women who bear the burden of carrying water for their families. Their situation is tragic and we thank you for your consideration of a \$30 donation!

Janet Baker, Executive Director

BACK THE PACK CAMPAIGN

Women in many countries have to walk miles to get water for their families and often carry as much as 40 to 80 pounds of water on top of their heads damaging their spine and neck. Look at the photos below to see how ingenious these backpacks are to alleviate the devastation to spines and necks. The backpacks are an extremely well designed container that can be adjusted to fit any body size, has padded straps for comfort and weight distribution, a wide top for quick water filling and many other wonderful features.

We have been so blessed to be privileged to drill wells around the world, but it doesn't help if

women have no containers with which to carry the water to their villages or homes. For a donation of only \$30, you can help women carry water using this amazing water backpack. Our goal is to send thousands of these backpacks to villages around the world help women get clean water to their families. We will also be establishing an emergency relief water fund for when disaster strikes in the United States and in countries around the world where water backpacks will be invaluable.

There are three ways to donate to our Back the Pack Campaign.
