Widow's Mite Experience

Widow's Mite Experience is a non-profit women's ministry dedicated to helping other women and their children by providing clean drinking water and the Word of God to the nations. We bring women together, one voice and one heart, to experience the joy and spiritual breakthrough of sacrificial giving to further the Kingdom of God. We do this through a simple, yet profound concept, giving hope, changing lives, drop by drop, cup by cup.

Dear Friends,

Summer is fast approaching and many of us will enjoy the refreshing feel of cool water from pools or the ocean. It's a wonderful time for us to help people who do not have access to clean, cool water for anything, not even to drink.

WIDOW'S MITE AT WORK

May in Ohio is so lovely! Our Ohio event committee had a beautiful coffee to raise funds for wells in the Ukraine. Ladies who attended were thrilled to hold up their paddles bidding on fabulous purses. The event was hugely successful and sufficient funds were raised to drill four fresh water wells for the Ukraine! Nancy Dreyer and her team were amazing.

The Colorado chapter had a very exciting event in June branching out into a new area of north Denver inviting men and women to come and learn all about WME. A silent auction with many lovely items was held followed by a live auction hosted by Dianne Newberry and her dedicated board of directors. Dolls made by precious women in Guatemala were featured, as well as Haitian jewelry. The event was held at a beautiful country club in Denver and the food provided at the luncheon was delicious. Because of the generosity of those attending, funds were raised for a well and irrigation project in Kenya. Everybody had a great time as they gave to help others.

We are also excited to announce that Diane Cooley and Jennifer Pohler of the Indiana Chapter led the charge to bring in funds with an all-encompassing rummage sale. Widow's Mite Experience never ceases to amaze with the creativity of our ladies.

We are always grateful to all who attend our events and thank the Lord for each of them.
