

# Widow's Mite Experience

*Taking Water & the Word to the nations.*

Widow's Mite Experience is a 501(c)(3) non-profit women's ministry dedicated to helping other women and their children by providing clean drinking water and the Word of God to the nations. However, this newsletter is asking you to join us as we fast and pray for our nation. Pray that revival will fill our land and that we as a nation will turn back to God. Below is our plan for The Call of Deborah, a call to arise during this critical time in our history, and a call to make an impact for our country, each other, and the Kingdom! If you did not receive this newsletter in time to fast and pray today, feel free to choose another day and join us next Tuesday as we fast and pray together. May the Lord bless this call as we give Him all the glory.

Dear Brothers and Sisters in Christ,

- The United States of America is in serious trouble! Everything we hold near and dear is being attacked, dismantled or destroyed, and so many of our freedoms are at stake!
- If you have ever been touched by America's compassion, generosity or bravery, then you know the true heart of our nation.
- However, we see America rapidly and drastically departing from being the Christian nation that God blessed us to be and the God-fearing nation He expects us to be.

We, as Christians in America, are calling for an awakening for each of us to humble ourselves, repent and turn from our wicked ways, ask God to hear our prayers and ask Him to heal our land! 2 Chronicles 7:14

Please join us in this Call to ask God to return America to a strong, righteous and compassionate nation.

On July 5th, the Tuesday after the birthday of this great nation, we are asking you to join The Call of Deborah to ARISE and pray and fast for the next 21 Tuesdays from 6 a.m. to 6 p.m. This call will be continued every Tuesday as we seek to turn our land back to God and pray to experience revival and God's favor across our land.

America was founded as a Christian nation and we have been blessed indeed. Blessed to be a blessing to every nation in the world because of the love of Jesus that He placed in our hearts. Join us as we hold tight to the promise and belief that nothing is impossible with God! We know that America can and will be healed as thousands pray and fast in humble expectancy and unquenchable faith.

May God bless you as you pray and fast for your American brothers and sisters and for the United States of America. Each week, we are asking you to focus on a specific need. We will also be asking for God's supernatural blessings of healing and revival for ALL countries; asking that ALL people will come to know Jesus as Lord and Savior; to experience His amazing love, peace, mercy and grace.

JOIN THE CALL OF DEBORAH AS WE "ARISE" TOGETHER AS A MIGHTY ARMY IN THE POWERFUL NAME OF JESUS TO TAKE BACK OUR LAND!
